Thanks Tobi. Hopefully they will accept everything!

Joyce, those 5 bins are bins that the operators and myself could not find onsite when we were sampling the roll-offs, and therefore they were not sampled. Would you like us to sample those 5 bins if they are found?

Cheers,  
Jackie

Joyce and Jackie

I asked Brian to see if he can track down these five (5) bins tomorrow. In the meantime I amended the BIN sheet based on the analytical data. I have a feeling I'm going to get a push back on a couple I submitted to Front Range but we'll see. I'm not 100% sure they are running off of 40 CFR 268.40 Treatment Standards since we are not applying U or F codes.

Once the two (2) pending profiles are approved I will amend to add pricing.

Please let me know if you have any questions or concerns.
